The inspiration for the name 'Dapple + Waver' is derived from the poem 'Perch' by nobel prize-winning laureate Seamus Heaney.

**“Perch on their water perch hung in the clear Bann River  
Near the clay bank in alder dapple and waver.”**

Heaney is describing how the perch are holding their position in the flowing river at their favoured location, “near the clay bank” at a spot where the light effects reflect in the water and are constantly moving: alder dapple and waver.

Dapple + Waver has drawn inspiration from these light effects and hopes to create its own favoured position for locals near the banks of the Brisbane River at YG Riverside.

Please see the full Poem on the mirrored wall.
